RE: Change in Ownership Notification

Although we have addressed many of you in person, let this letter serve as official notice of a change in ownership at the State College of Beauty Culture (SCBC). SCBC is scheduled to change hands on July 1, 2024.

It has been an honor to serve the greater Wausau community for the past 25+ years. I am filled with gratitude for the clients, students and staff members we have had the privilege to work with in that time.

SCBC will continue to flourish under new ownership, I am happy to introduce: **Elinor Mittlestat**

Harold and Elinor Mittlestat, are a military family with five kids, and they are picking Wausau, Wisconsin to be their forever home. As the military life comes to a close, and with that change, they have decided to purchase State College of Beauty Culture as part of their next chapter in life. Elinor Mittlestat has always been in the hair business as a Cosmetologist, Manager, District Manager and Trainer. She will be using her experience and expertise to continue the legacy of SCBC in the Wausau area. They are very excited to be a part of this community.

Thank you,

Andi Burns
